How sweet they are – **and only 2-4 net carbs each!****
 Make these protein bars a fast snack for on-the-go energy or to solve between-meal cravings. They're a great way to get the protein you need.

Our bodies don't store excess protein, even though it is crucial to maintaining a healthy body. That's why many nutritionists recommend eating lean protein at every meal – to give us an adequate supply throughout the day. TRIM ADVANTAGE[®] Protein Bars make healthy sense!

TRIM ADVANTAGE Protein Bars are the perfect addition to Atkins[®], Weight Watchers[®], Lean for Life![®], South Beach[™], The Zone, or other low-carb eating plans.

Each bar has 21-23 grams of protein, including 9 essential amino acids. Each box contains 16 bars, 4 each of 4 flavors: Caramel Vanilla, Strawberry Crème, Roasted Peanut, and Fudgy Brownie Flavor with Almonds.

Medical authorities recommend a weight loss of no more than 2-3 pounds a week to reduce the risk of health problems associated with more rapid weight loss. The Trim Body System is designed to encourage the kinds of changes in lifestyle that may result in lifelong weight loss.
